Balaton Solar Boat Challenge

Version 15-02-2023

**Balaton
Solar Boat
Challenge**

**SOLAR
SPORT ONE**

The Notice of Race presented in this document were drawn up to serve as directives for the race. Situations that are not covered by the Rules will be decisively resolved at the sole discretion of the jury.

1. Aim and purpose of the Solar Sport One events

1.1. The aim of the Solar Sport One events is to organize a top solar boat event in order to:

- promote sustainable technology amongst the youth and more in particular students at technical universities and professional training colleges, supported by firms in (boat) technology.
- stimulate the promotion and development of sustainable boats, in particular with respect to the application of solar energy in the shipbuilding industry.

2. Organizing authority/race organization

2.1. The organizing authority of the event is Pannon Egyetem, University of Pannonia Hungary (<https://solarboat.uni-pannon.hu/contact/>) together with Stichting Solar Sport One.

2.2. On behalf of the organizing authority the Solar Sport One 2023 events are carried out under the management of the project director. The race organization can be contacted throughout the year on the

following address:

Zwolsmanweg 16

8606 KC Sneek

3. Rules

3.1. The race will be conducted subject to the provisions of this Notice of Race (NR), the current 2023 version of the Technical Regulations (TR), the current 2023 version of the Race Elements Catalogue (REC), the current 2023 version of the Race Instructions (RI).

The event area: Lake Balaton is a restricted water area with special rules. So please make sure to check the following:

- under 14,7 KW and under 8m length there is no need to have boat driving license
- above 14,7 KW and/or above 8m length the skipper must have a boat driving license (any kind form any country accepted)
- all boats must be registered at Hungarian Sailing federation (registration can be done through registration website).

- if boat is above 14,7 KW and 8m need to have special permit from the Hungarian Shipping Authority. The Hungarian Sailing Federation will complete the registrational procedure for the sailers based on the information provided at the registration form.

Note:

if teams want to bring support boat with internal combustion engines the same procedure needs to be followed and the boat need to have special permit from the Hungarian Shipping Authority. This permit costs €80 and is to be paid upon registration and latest 1st of July 2023 prior to the event.

Collectively, these documents form the Rules, with possible subsequent additions and/or amendments to be implemented by the race organization.

3.2. The organization reserves the right to amend the rules (as incorporated in the NR, TR, RI and REC) at any time. This will be done by means of publications on the organization’s website.

3.3. All competitors in the race are expected to know and accept the Rules. The jury may penalize competitors who ignore or break the Rules. Penalties may vary from a reprimand to disqualification and exclusion from further participation.

3.4. All questions related to the interpretation of the Rules shall be submitted to the organization in writing. Any explanation of the rules, as well as answers to written questions, may be published on the website, (or the official notice board during the race) and be binding for all competitors.

3.5. In the case of a discrepancy between languages, English shall prevail.
